GENERAL AND REVENUE SECRETARIAT.

Serial Nos. 1-2

PART B FOR July 1904

SUBJECT.

Communication of negative reports in the absence of any epidemic by Officers of Durbar to those of the Madras Presidency.

	FILE No. G. F. 98-1893.
	Negative Reports of Epidemic diseases from the officers of the Durbar to those of the Madras Presidency.
1	From the First Assistant to the Hon'ble the Resident in Mysore, No. 2604, dated the 27th May 1904. Forwards copy of letter No. 602 L, dated the 13th May 1904, from the Secretary to the Government of Madras, Local and Municipal, Department, stating that the Officers of the Durbar need not send negative reports of epidemic diseases when there is no epidemic to report.
2	To the Deputy Commissioners of Districts, No. 339-46—L. B., dated the 16th July 1904. Directs them to cease submitting negative reports of epidemic diseases. Endorsement to the Senior Surgeon, No. 347—L. B., dated the 16th July 1904. Forwards copy of Serial No. 2.
	G. O. No. 4934-42, dated 5th April 1904.

G. R. S. 56.

Office Note

In Govt Proc: No 4934-42 dated the 5th April, 1904, the Dy Commrs of Districts were directed to send to the Distt Medical Officers and Collectors of the adjoining districts, both in Mysore and in British India, a negative report of epidemic diseases, once a month, in addition to giving them intimation of the outbreak of such diseases, and the arrangement made was reported to the F.A. to the Resident in this Office letter No G4933 dated the 5th April, 1904, and he was requested to arrange for similar instructions being issued to the frontier Distt Officers of the British ~~Officers~~ Provinces.

With reference to the above letter, the F.A. to the Resident forwards a copy of letter No 602 L dated the 13th May 1904, from the Secy: to the Govt of Madras, Local & Mucl Deptt, and remarks that as therein decided, negative reports of epidemic diseases are not needed in future.

Letter No. 602 L, dated the 13th May 1904, from the Secretary to the Government of Madras, Local and Municipal Department, to the Hon'ble the Resident in Mysore.

With reference to your letter No. 1900, dated 11th April 1904, on the subject of the prompt communication between the officers of the Mysore Durbar and the Madras Presidency of the existence of epidemic diseases, I am directed to state that the Government consider that negative reports need not be communicated when there is no epidemic to report provided that the necessity of reporting when epidemic disease does occur is sufficiently impressed on the officers concerned. I am therefore to request that the Durbar may be informed accordingly. The Officers of this Government have also been instructed to send reports to the officers of the Mysore Durbar only on the appearance of an epidemic.
